

# Teen Leaders Needed for County Fair!

Date: May 6, 2025

To: 4-H Teens

From: Tamara Hill, 4-H Team Leader

RE: Teen Leaders Needed for the Gouverneur – St. Lawrence County Fair: July 26<sup>th</sup>- August 3<sup>rd</sup>, 2025

Every year, the 4-H Youth Building is filled with activities and events during County Fair that highlight all the great work being done by 4-H Clubs and Members across the county. Making sure we connect with as many fair-goers and community members as possible takes a lot of planning and hard work. That is where the 4-H Teen Leaders come in! They are the ones who devote their time and leadership during the Fair to ensuring a positive 4-H experience for everyone.

All 4-H Teens, WE NEED YOUR HELP AGAIN THIS YEAR!!! Please fill out the attached application if you are interested in joining the amazing team of your peers working in the Youth Building, Rabbit/Poultry Barn, or walking the Midway answering questions for fair-goers about 4-H.

Compensation: 5 Premium Points for each hour worked.

So if you are energetic and enthusiastic about 4-H and want to earn a little bit of pocket cash then join us this year! Teen Leaders will:

- Help design the Youth Building's layout
- Participate in a Fair Clean-up Day
- Assist evaluators on Judging Day
- Manage the 4-H Concession Stand
- Greet and provide building tours to the public
- Help care for Fair Animals
- Assist with the 4-H Youth and Animal Buildings
- Promote 4-H through interactive displays and activities

The time commitment is flexible, especially for those showing, and no previous experience is required. Teen Leaders must be enrolled in St. Lawrence County 4-H and 13 years old as of January 1, 2025, to participate. All you need to do is fill out and return the enclosed sheet, attend the mandatory meeting at 5:00pm on June 2nd, volunteer for a fair clean-up day, and confirm your assigned shifts on Judging Day. The schedule of hours will be posted in the office area of the Youth Building. Work hours will be broken down into four-hour shifts.

If you have any questions, call Tammy Hill at 379-9192 ext. 261 or email [tlh233@cornell.edu](mailto:tlh233@cornell.edu).

Have a Great Summer!

Cornell Cooperative Extension of St. Lawrence County provides equal program and employment opportunities.
